PETER AMIR LABIB ZAKI

Phone Number: 01204112463   **Email**: peteramir5522@outlook.com

Github: https://github.com/Tepadav/   **Linkedin**: https://www.linkedin.com/in/tepadav

Skills

- Proficient: HTML, CSS, javascript, angular
- Developing: react, rxjs, Redux/NGRX, graphql, angular material
- Novice: Node.js

Experiences

1. Nurse First Travel   *Front-end developer*   *7-22-2021 – Now*
   - Write a new wireframe for the system, required by the company.
   - Build the main part on the project using angular framework.
   - Learned new skills that I had to learn to get the project done, such as ngrx, graphql, and angular material.

Projects

1. Landing page (https://tepadav.github.io/landing-page/)
   - Added the ability for the user to scroll to each section on clicking sections on the navigation bar, in which the tabs of the sections are automatically generated by javascript.
   - Added fixed button to scroll to the top of the screen.

2. Weather app (https://github.com/Tepadav/weather-app)
   - Built the ability to search the weather info using zip code.
   - Included fetching data from a remote server using native javascript functions.

Education

1. UDACITY: Front-end web development professional   *6/2021–7/2021*
   - Successfully completed 2 native javascript projects.
   - Added functionality to the websites to make them more interactive.

2. BM, MTI University   *2018 – 2022*
